

How To Use Your
Free Christmas
Stocking Pattern

M I L L A N D M A R B L E . C O M

How To Use Your Pattern

1. This pattern will create a finished stocking that is 8.5" wide and 21.5" long.
2. When printing out the following template, do not rescale the images. Set the scale to "actual size" or "custom" at 100%.
3. If you can't find the scale option in your print window, it may be located under "more settings" or "advanced settings".
4. Once you have your four pieces of paper printed out, cut out the template and tape it together.
5. Now you can trace the pattern onto your fabric over and over again!
